

How to use CampusBird, Rice's new interactive campus map.

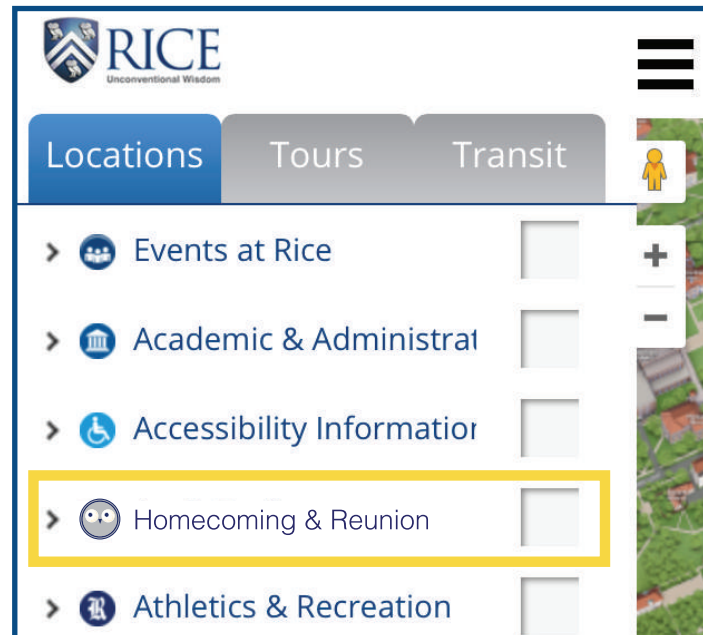

Please note: These directions are from the perspective of a mobile device.

1. Go online to bit.ly/ricehcr17.

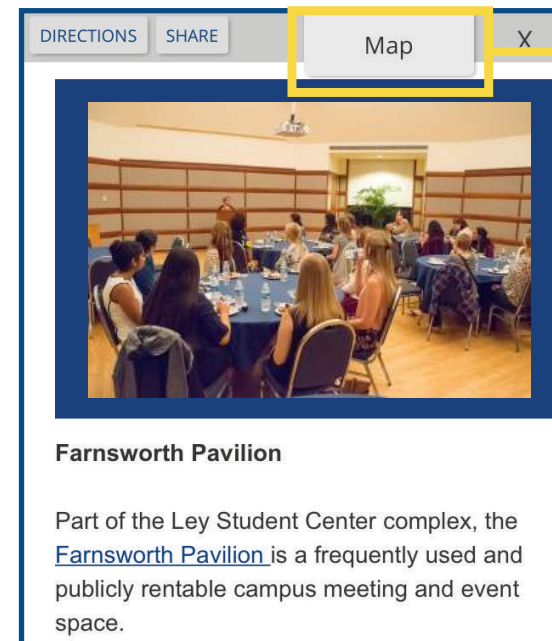

2. Select the **menu icon**.

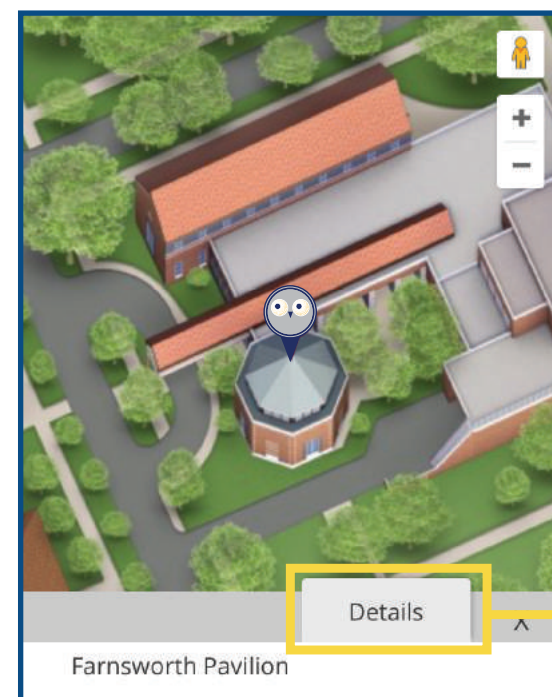

3. Select **Homecoming & Reunion** from the locations menu to view a list of all weekend events.

4. Once you've selected an event, an informational box will appear. To view the event location on the map, select the **map button**.

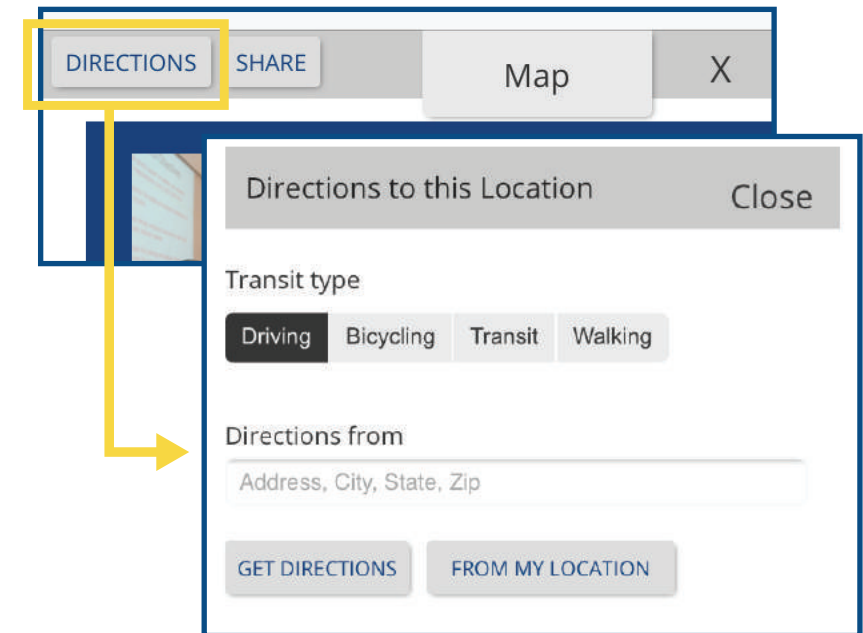

5. The event location will appear with a Flat Owlly icon. To go back to the event details, click the **details button**.

6. If you need directions to the event location, select the **directions button** in the top left corner. You may select from four options of transit type, and you may enter an address as a starting point or use your current location.

(NOTE: If you select to use your current location, you may need to edit your location/privacy settings.)
