Dear Rice Alumni and Friends,

Join fellow Owls to celebrate the soul of France’s southwest region on a seven-night journey. A woman of tall timbered horses and cobbled lanes, Albi serves as your base for enriching countryside excursions and visits to glorious towns.

A world of wonders awaits in this remarkable region, including masterpieces by Toulouse-Lautrec, spellbinding vineyards and medieval fortresses; plus a revolutionary 17th-century waterway. We’ll meet gracious locals on their family farms and visit Toulouse, discovering the allure of the city’s stone landmarks. Witness the unique, centuries-old houses of Carcassonne, venture to Carcassonne, Europe’s largest fortress, and cruise through history along the Canal du Midi. From the palatable effervescence of Nicholas Corbier in the delightful flavors of Gaillac wine and regional cuisine, this captivating journey will leave you with indelible memories.

This trip combines the security, ease and value of group travel with opportunities for independent exploration. Enjoy the camaraderie of traveling with a group and, during free time, feel the thrill of making your own discoveries. Space on this exclusive journey is limited, and the trip is sure to sell out quickly, so I encourage you to make your reservations today! I look forward to welcoming you on this journey.

Sincerely,
The Rice Alumni Traveling Owls
